TOWN WARRANT

The State of New Hampshire

To the inhabitants of the Town of Brookline, in the County of Hillsborough in said State, qualified to vote on Town Affairs:

You are hereby notified to meet at Daniels Academy Building in said Town of Brookline on Tuesday, the Eight day of March next at two of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise and appropriate such sums of money as may be necessary to defray Town Charges for the ensuing year.

3. To hear reports of Agents, Auditors, Committees, and all other officers heretofore chosen, and pass any vote relative thereto.

4. To see what sum the Town will vote to raise and appropriate for Highways and Bridges.

5. To see what sum the Town will vote to raise and appropriate for the Public Library.

6. To see if the Town will vote to authorize the Selectmen to distribute inventory blanks when assessing, instead of mailing.

7. To see what sum the Town will vote to raise and appropriate for Cemeteries.

8. To see what sum the Town will vote to raise and appropriate for Memorial Day.

9. To see if the Town will vote to raise and appropriate the sum of $427.65 to secure State Aid for permanent improvement of Highways.

10. To see if the Town will vote to authorize the Selectmen to renew the license of Brookline Speedway Inc., for conducting auto racing and other sports permitted by State Law, in the Town of Brookline on Sundays.

11. To see if the Town will vote to allow any discount on taxes.

12. To see if the Town will vote to authorize the Selectmen to sell any property acquired by Tax Collector's deed, and to sell Tax Liens on property purchased at Tax Sales, or take any action relative thereto.

13. To see if the Town will vote to raise and appropriate the sum of $30.00 for the salary of a swimming instructor.

14. To see if the Town will vote to raise and appropriate the sum necessary to increase the Police Department appropriation from the present $800.00 to $1,200.00 or take any action relative thereto.

15. To see if the Town will vote to charge a penalty of twenty cents on each poll tax remaining unpaid after September first, or take any action relative thereto.

16. To see if the Town will vote to raise and appropriate the sum of $150.00 for the spraying of elm and maple trees, said sum to be used where property owners contribute 50% of the cost of said spraying on their property, or take any action relative thereto.

17. To see if the Town will vote to raise and appropriate the sum of $300.00 for cutting and removing trees, or take any action relative thereto.

18. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

19. To see if the Town will vote to raise and appropriate the sum of $50.00 for Civil Defense, or take any action relative thereto.

20. To see if the Town will vote to eliminate the street lights at the junction of Milford and Mason Streets, and at the junction of Mason and Bond Streets, and substitute therefor one large street light on the pole opposite the walk of Daniels Academy Building, and raise and appropriate the sum of $35.00 for the increased cost of same.

21. To see if the Town will vote to raise and appropriate the sum of $200.00 for the purchase of new fire equipment.

22. To see if the Town will vote to raise and appropriate the sum of $130.00 for Liability Insurance coverage on the Town Hall and premises, or take any action relative thereto.

23. To see if the Town will vote to raise and appropriate the sum of $200.00 to install a door in the main hall

of the Daniels Academy Building onto the fire escape, or take any action relative thereto.

24. To see if the Town will vote to increase the salary of the Secretary of the Board of Selectmen from $125.00 to $250.00, and if so, to raise and appropriate the sum necessary for same.

25. To see if the Town will vote to authorize the Selectmen to contract for the care of the Town Dump, or take any action relative thereto.

26. To see if the Town will vote to raise and appropriate the sum of $1,000.00 to be added to the "Capital Reserve Fund for Fire Equipment", or take any action relative thereto.

27. To see if the Town will vote to authorize the Selectmen to contract for janitor service at Daniels Academy Building, or take any action relative thereto.

28. To see if the Town will vote to authorize the withdrawal of $3,000.00 from the "Capital Reserve Fund for Fire Equipment" to be used for the purchase of a new fire alarm system, or take any action relative thereto.

29. To see if the Town will vote to continue the registration of bicycles, or take any action relative thereto.

30. To see if the Town would approve of the Trustees of Trust Funds spending up to $700.00 of General Funds for the installation of a watering system for the Pine Grove Cemetery, or take any action relative thereto.

31. To transact any other business that may legally come before said meeting.

POLLS OPEN FROM 2 P. M. TO 7 P. M.

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every nine fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple—

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles—use your ash tray.
5. Don't burn at home—Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires, 1
Number of acres burned, ¾
Number of permits issued, 115

REPORT OF DISTRICT NURSE

A clinic for Salk Vaccine inoculations was held at the Church of Christ parlors on February 17, 1959—there were twenty-eight who received the immunizations—and Small Pox Vaccinations were available to those entering school in September. Mrs. S. Jefferys, R.N. was clinic nurse.

Mrs. Gladys Bergh was chairman of the clinic and Mrs. Porter furnished transportation. Mrs. Jane Dubben assisted with the clerical work.

Doctor Alexander Law gave the immunizations. The clinic was under the direction of the State Department of Health.

WARRANT FOR ANNUAL SCHOOL MEETING

The State of New Hampshire

To the Inhabitants of the School district in the town of Brookline qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the Third day of March 1960, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating therto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are

estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to raise and appropriate the sum of $5,000.00 to be paid into the Capital Reserve Fund for construction and equipment of a new school building.

10. If the above article is not approved, to see if the district will raise and appropriate the sum of $2,500.00 to be paid into the Capital Reserve Fund for the construction and equipment of a new school building.

11. To transact any other business which may legally come before said meeting.

Given under our hands at said Brookline this Thirteenth day of February, 1960.

Clerk of the School District

ADMINISTRATION

Superintendent

I herewith present my 21st annual report, consisting of this discussion together with other reports printed herewith:

Schools are Big Business

The following table indicates what size this Supervisory Union has become. One needs only to add this to the other Supervisory Unions in this State and then to the other States to understand the magntiude of Schools as a Business in this Country. Since this unit and New Hampshire is so small as compared with hundreds of others, it is no wonder many people do not realize what goes on here or in the Nation with respect to education.

1958 - 59

District	No. of Pupils	No. of Teachers	No. of Schools	Total Expenditures
Amherst	* 368	12	2	$136,032.16
Brookline	* 123	4	2	57,125.20
Hollis	375	17	2	131,526.97
Milford	1143	46	3	339,779.36
Mont Vernon	* 79	3	1	35,295.04
	2088	82	10	$699,758.73

*Does not include Tuition Pupils to other Districts

Adding the pupils Brookline sends to Nashua to the 2088 listed above and dividing, we find an over-all pupil cost of approximately $325. Readers may think this is high. If so, we must compare this with reported costs in New Hampshire of $388.72. Since our costs are part of this latter figure and are lower, then there must be many school units with a higher pupil cost in order to arrive at the $388.72 figure.

Salaries

Item 6 of the Budget refers to Teacher's Salaries and Constitutes the largest amount in the total. For some time now, we have tried to consider salaries on a percentage basis, using a beginner's starting-salary as 100% and advancing each year by 4% for varying numbers of years. At the present, this starting-salary is $3700. Teachers of experience receive more by some 4% to 32%. We have three classes of preparation: 1. Those without a degree—whose salaries may range from 92% — 116% of the base. 2. Those with a Bacheolr's degree—100% to 112%. 3. Those with a Master's degree—108% to 132%. Not all the districts have all of these features, all have some of them.

Now I feel the base must be changed and have recommended in my budgets to School Boards, $3900 as the 100% base. Our study of salaries prompts these rewards to justify this base.

A. Beginners next September will demand and get much more than the present $3700.

B. The average salaries of classroom teachers this year are:—

National average	$5025.
Mass. average	$5100
N. H. average	$4356
S. U. #40 median	$4144.

Our median is thus $212 lower than N. H.'s average, $956 lower than Mass. (our greatest competitor) and $881 lower than the National average.

C. Mass. will be on a $4000. minimum for 1960-61—this by law. (a nearby district in N. H. is already on this minimum.)

D. The average starting pay of women college graduates of 1957 (three years ago—when our base salary was $3200):—

Chemists	$4847.
Nurse	$3875.
Mathematicians	$4675.
Teachers	$3799.
All occupations	$3739.

E. Therefore, to compete for and to maintain the adequate teaching staff this Union expects, I recommend an increase in the base of $200. This would bring us up to challenging distance of present scales and maintain a status quo; an increase of $300. would allow this Union to compete for teaching services with the expected increase in states and districts surrounding us.

The Staff

The same staff of teachers remains on duty as at the last report. Their total years of experience should be of significance to you.

The Future

Someone has said that we must look to the future because that is where we will spend the rest of our lives. Therefore, we make a budget for the future, we look into the years to come and examine our needs.

The present budget has allowed for matching of Federal funds to purchase much needed science equipment. The proposed budget contains an item to continue this matching next year with both Science and Mathematics in mind. This is a good opportunity to improve our equipment and thus contribute to better teaching in these fields, in which there is so much interest at these times.

I am deeply grateful to the School Board, Teachers, and citizens for their continued good efforts and interest in the school.

Respectfully.

HAROLD C. BOWLEY
Superintendent of Schools

OUR HELPING TEACHER

Individual differences among children in supervisory union #40

In spite of what we would like to believe, all children are not created equal. There is nothing we can do to alter that fact. But all children are entitled to an equal opportunity to be educated, regardless of the inequalities of their creation. The educational program in this union is continually improving in ways and means of doing this. However, we must continue to find better ways.

A study of the results of our recent testing program shows very clearly many of these inequalities. It will also give some indication of the many problems encountered by our teachers in attempting to give an equal education to all their children.

Consider the following table as a means of classifying individuals according to their ability:

Below I. Q. 75—Retarded, needing special education

I. Q. 75 - 85—Slow learner, requiring extra time and extra help.

I. Q. 86 - 119—Range of slow to average to rapid learners

I. Q. 120 - 140—Rapid learners, including gifted, needing enrichment or possible acceleration

I. Q. 141 & over—Gifted to genius, needing special education

Of a total of 861 children in this union in grades two, three, four, and five tested this year,

19 scored I. Q. 74 or less

40 scored between I. Q. 75 and 85

562 scored between I. Q. 86 and 119

223 scored between I. Q. 120 and 140

17 scored between I. Q. 141 and 162

We realize that no test is infallible and that for some children it is but a rough estimate of their ability. In any case this survey has many implications for us.

1. A program designed to meet the needs of the average group cares for most of the children.

2. To be most effective an educational program must meet the requirements of all children.

3. Those children at either extreme should have a special program.

4. The grouping of children according to their needs is a way of providing for their differences.

While the program for caring for the gifted within our present classroom structure is increasingly productive there seems to be no good solution to the problems of the retarded. It seems hardly fair to anyone concerned that these children are not given the special type of education which is impossible to find in a regular classroom. It requires a specially trained teacher, special materials and consideration to give these children the equal educational opportunity they deserve. There are enough of them to warrant a special, but not segregated, classroom somewhere within this union. It is a real challenge. What can we do about it?

I would like to take this opportunity to thank the School Boards, Superintendent, Parents and associates for their help and cooperation.

Respectfully,

MABEL I. CONNOLLY
Helping Teacher

REPORT OF THE

POLICE DEPARTMENT

For the Year Ending

December 31, 1959

THROUGH ERROR, THE POLICE REPORT WAS OMITTED FROM THE ANNUAL REPORT MAKING THIS SUPPLEMENT NECESSARY.

REPORT OF POLICE DEPARTMENT

The year of 1959 was a very busy and successful year for the Brookline Police Department.

In the months of January through April members of the police department attended F.B.I. police schools in Goffstown and in Brookline covering all phases of police work. Each school consisting of some 50 hours of instruction.

In May through the efforts of the police department and efforts of the P-TA two members of the Brookline School Safety Patrol were able to attend the A.A.A. School Safety Patrol Jamborie in Washington, D.C.

In the spring and summer months the police station in the town hall was cleaned up, repaired, painted and made useable, all work being done voluntarily by members of the police department.

As to the enforcement side of the activity, 507 vehicles were stopped by the Brookline Police for one type of violation or another ranging from defective equipment, check ups to summons to court if the violation warranted such.

Of the 11 cases of breaking and entering and attempted breaks all were solved with the exception of two attempted breaks and most of them were cleaned up in a matter of 48 hours.

As you will notice by the police activity report, all activity has increased greatly over last year, which is true, not only in our community but throughout the country, and is sure to be on the increase for years to come.

To cope with this situation a well organized, trained and efficient police department is very essential, through F.B.I. Schools, regional police schools and local training we are attempting and will continue to try and give our community the well trained and efficient police department that is needed.

I wish to thank all that have co-operated and contributed to make this a successful year for our department, especially Mrs. Anita Taylor who has spent many hours at the police radio at no cost to the town.

With our radio set up in my home, we can receive and transmit direct to the State Police in Concord reaching any point in N.H. in a matter of seconds and our own set up with which we can contact any of the surrounding towns direct, giving us complete radio coverage, to give aid, receive aid and to cope with any emergency efficiently.
